

Easiscrape

Easiscrape

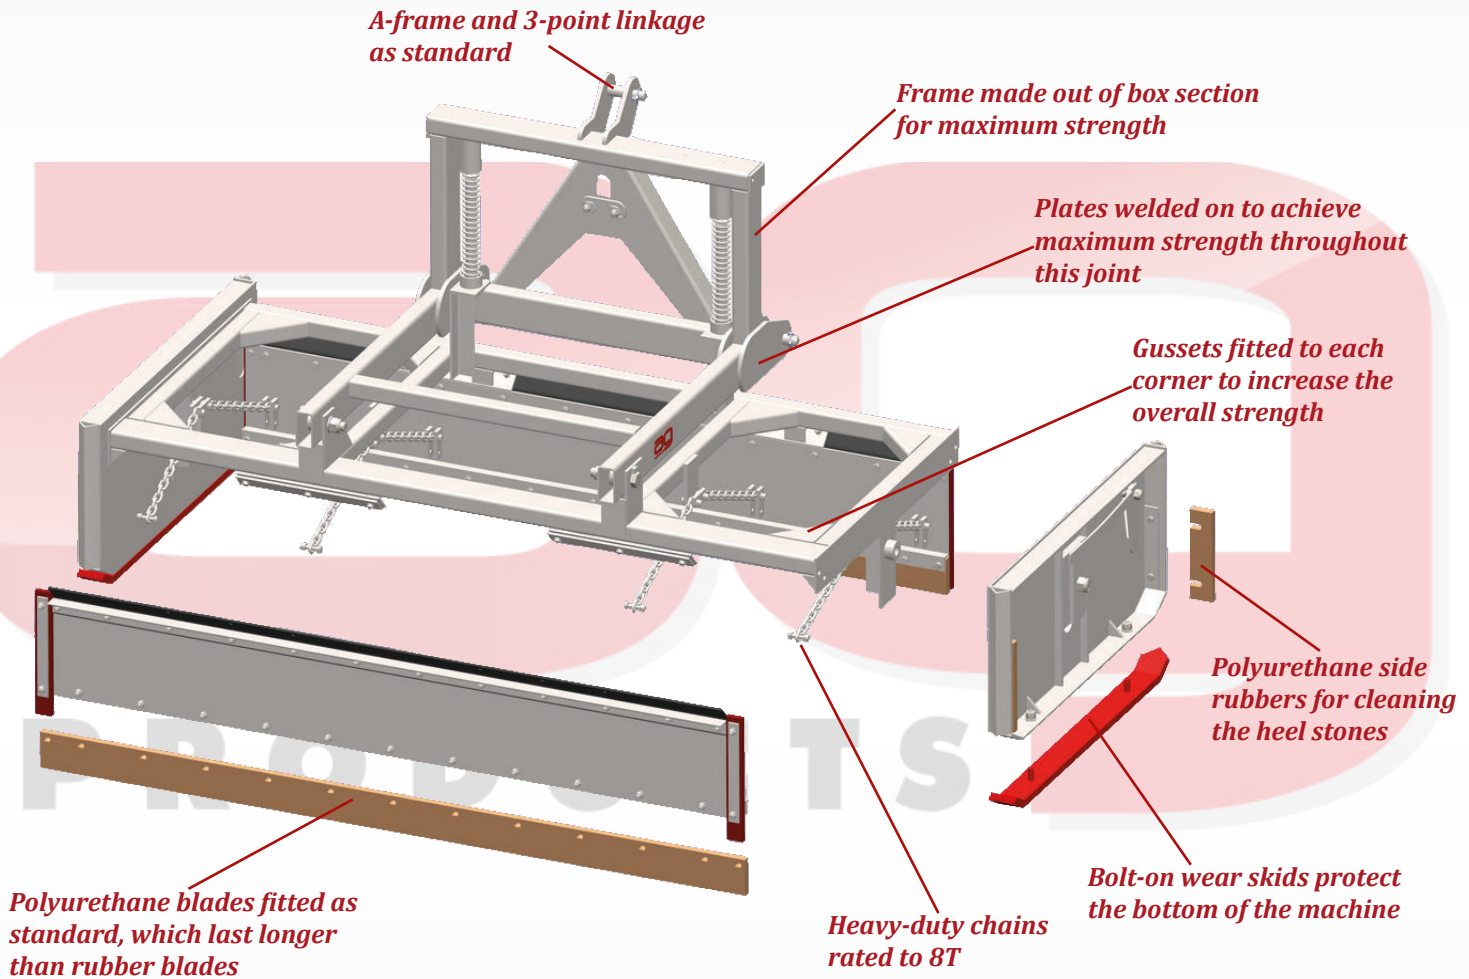

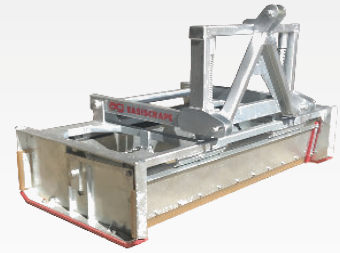

- *Fully-galvanised box scraper*
- *PU blades: Clean finish/ long lasting*
- *A-frame and 3-point linkage*
- *Slurry is contained within the box when scraping*
- *Gussets in all corners strengthen the scraper*

Easiscrape

All scrapers are twin-bladed, using hard wearing, high-impact strength polyurethane giving perfect scraping in both forward and reverse directions, giving the very best results.

The scrapers are built to last and are of the same high standards as the AG Dispensers.

For any parts orders please contact Enquiries@ag-products.co.uk

- *Scraper comes with 2 x 10mm polyurethane blades per door fitted as standard*
- *Easily-changeable wearing parts*
- *Larger models come with 4 x heavy duty chains rated to 8T, which increase the strength of the scraper*
